

**REMARKS**

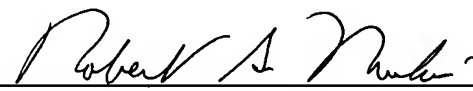

By the present Preliminary Amendment, claim 1 has been amended to use the more common term "comprising" and claim 3 has been amended so that all multiple dependency has been eliminated from the original claims and to correct a typographical error. In addition, new dependent claim 4 has been added so that the scope of the original multiple dependent claim has been preserved. It is to be understood that the revisions to the claims are solely for formalistic purposes and not with regard to patentability.

Entry of the instant Preliminary Amendment and favorable consideration on the merits are respectfully requested.

Should the Examiner have any questions concerning the subject application, the Examiner is invited to contact the undersigned attorney at the number provided below.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
